

REMARKS

A Sequence Listing was filed with this application on March 20, 2009 as a paper copy and in computer readable form. A replacement Sequence Listing was filed on December 29, 2010, as a text file serving to provide both a paper and computer readable form. In an Office Action mailed April 28, 2011, Applicants were notified that the computer readable form of the Sequence Listing filed December 29, 2010 could not be accepted due to errors.

Applicants file herewith a replacement Sequence Listing as a text file entitled "**32231-US-1-PCT_ST25.txt**." This text file serves as both the paper copy and the computer readable form. This replacement Sequence Listing corrects the errors indicated by the Office in the paper mailed April 28, 2011, and contains only sequences included in the application as filed. No new matter is added.

No fees are believed to be due in connection with this amendment. Nevertheless, if the Director finds any additional fees to be due in connection with this, or any other filing, authorization is given to charge said fees to Deposit Account No. 50-4302, referencing attorney docket number **DCC-32231/US-1/PCT**.

Respectfully submitted,

Date: October 28, 2011
